FAMILY READY · 01

Your Free Emergency Card

Who to call first, allergies, current medications and important health information, in one clear card. It is saved on your iPhone, so it opens in Emergency Mode without internet once your phone is unlocked.

FAMILY READY · 02

Emergency Mode

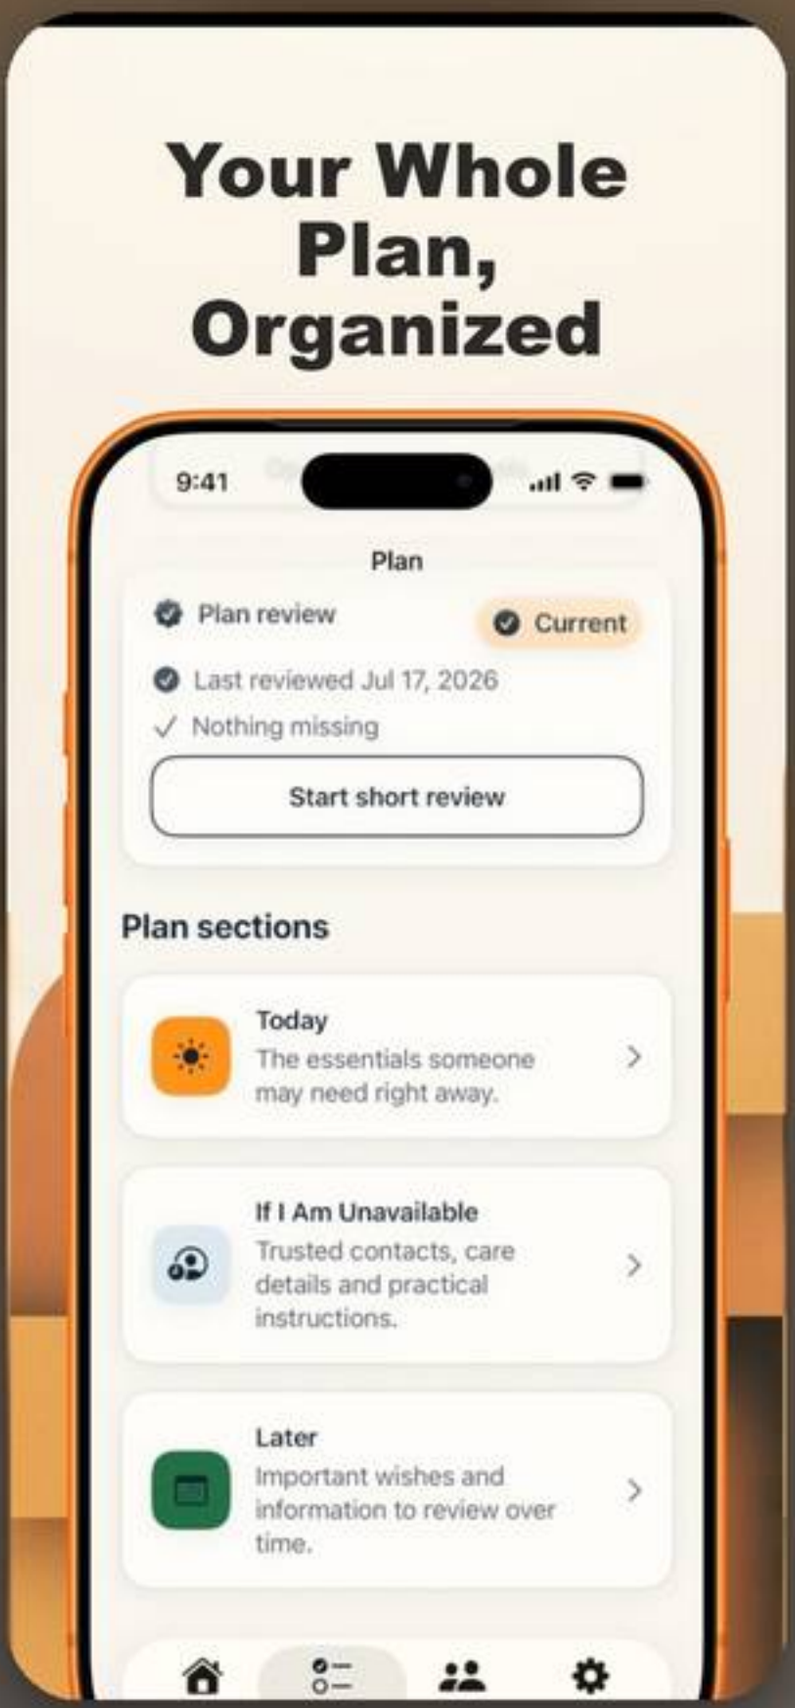

One tap opens a high-contrast, large-text screen with no ads, no pop-ups and no purchase prompts. Tap a contact to start a call yourself. Family Ready never calls or messages anyone automatically.

FAMILY READY · 03

Your Household Plan

Plain-language sections for contacts, health, important documents, money and insurance, home, dependants and pets, care instructions, and digital life and wishes.

FAMILY READY · 04

Emergency Kit Checklist

A free, editable kit checklist based on Ready.gov and Get Prepared (Canada) guidance, with optional sections for children, older adults, pets and rural homes.
